

To whom it may concern:

Between two of my children, we've been with Luv N' Learn childcare for almost 5 years, and it has been nothing but a wonderful experience. Terry and George (Tay-Tay and G-G) put their whole hearts into caring for the children, with the strongest evidence being how much the children love them back! They don't just "watch" the children ... they really care for them. They have educational programs; they teach them good manners and healthy habits; they feed them nutritious food; and of course, have lots of fun All with a huge dose of love and affection.

As a parent, we are all searching for childcare where our children are loved as much as they are at home ... and with Luv N' Learn, I think that's about as close as you can get!

Terry and George have become a part of our family over the years, and our children have absolutely benefited from having them in their lives. I highly recommend Luv N' Learn!

Most sincerely,
